

Program to print the table of a number.

```
#include <stdio.h>
#include<conio.h>
main()
{
    int n, m, i;

    printf("\nEnter any no.: ");
    scanf("%d", &n);

    for(i=1; i<=10; i++)
    {
        m = n*i;
        printf("%d",m);
    }
    getch();
}
```
