FORM

The image shows a screenshot of a Windows application window titled "Form1". The window has a standard Windows title bar with minimize, maximize, and close buttons. The main area of the form is a grid with a dotted background. It contains four text boxes and one button. The first text box is labeled "ENTER THE FIRST NO." and is followed by a yellow input field. The second text box is labeled "ENTER THE SECOND NO." and is followed by another yellow input field. Below these is a button labeled "ADD". At the bottom, there is a text box labeled "SUM OF THOSE NUMBERS" followed by a third yellow input field. A large, faint watermark "BCA" is visible in the background of the form.
